Article Number: 882014

Safety Instructions:

- Ensure that the table trolley is not overloaded (maximum load capacity 250 kg)
- Activate the brakes on the castors before use to prevent unintentional rolling away.
- To ensure safe handling, the table trolley should not be moved over steep stairs or uneven surfaces.
- Children should be supervised by an adult to avoid accidents.
- Users should pay attention to their surroundings to avoid collisions with other people or furniture.
