Article Numbers: 152136, 152135, 152134, 152133, 152132, 152131

Safety Instructions:

- Not suitable for children under 3 years of age due to choking hazard from small parts.
- To ensure paper quality and safety, do not store the product near fire, ignition sources or extreme temperatures.
- Avoid direct sunlight to prevent discolouration of the paper.
- Keep the envelopes dry and avoid humid environments to maintain stability and paper quality.
- Please dispose of the envelopes safely in waste paper in accordance with local recycling guidelines to ensure environmentally friendly disposal.
- The envelopes are intended exclusively for the dispatch of non-hazardous goods.
- The bags are not suitable for storing food. Avoid direct contact with food.
- Please check the envelopes for tears or damage before use and protect them from sharp objects that could damage the material.
- Use pressure-sensitive adhesive seal only once; regular testing recommended to prevent unwanted opening or injury due to pinching.
- The product contains no toxic substances and is safe to use, but should only be used by children under adult supervision.
- Take care when opening the bag to avoid injury from sharp edges.
- The envelopes can be damaged by heavy impact or heavy pressure; check for damage before despatch.
- Packaging should be disposed of safely to prevent misuse.
- No unnecessary use to minimise waste.
- Product can be disposed of in waste paper after use. Consumers should follow the disposal instructions.
