Safety Instructions:

- Observe the safety instructions: The screen mount must be installed in accordance with the enclosed instructions to prevent the display from falling.
- Do not exceed the maximum load capacity of 180 kg.
- Do not use for displays that are heavier than the specified maximum load capacity.
- Keep the area under the screen mount free of obstacles to avoid injury in the event of an unforeseen fall.
- Avoid manipulating the holder or the screen while the screen is in the height adjustment position.
- Do not use the screen mount outside the intended VESA dimensions (200x200 to 800x600).
