Safety Instructions:

- Not suitable for loading by forklift truck.
- Observe the maximum bay load of 2400 kg to avoid overloading.
- The shelf must be placed on a stable, level surface to prevent it from tipping over.
- Check shelving regularly for stability and integrity.
- If the shelving unit is not sufficiently fixed to the wall, it may tip over.
- Only install the shelf in accordance with the manufacturer's instructions.
- Only use recommended accessories.
- Only fill the shelf with suitable and appropriate materials.
