Article Numbers: 33338, 33337, 33336, 33335, 33334, 33303

Safety Instructions:

- During assembly, follow the manufacturer's instructions, including the assembly sequence and assembly instructions.
- The shelving is not suitable for loading using a forklift truck.
- Ensure that the maximum permissible field load is not exceeded: 1200 kg, 1800 kg or 2400 kg.
- The shelving must stand on a stable, level and load-bearing surface.
- Avoid climbing or standing on the shelf to prevent accidents.
- Check shelving regularly for stability and integrity.
- Keep the area around the shelf clear to avoid accidents.
- Chipboard is not included in the scope of delivery and must be ordered separately.
