Safety Instructions:

- Set up and use the product safely to prevent it from tipping over. Pull carefully when moving to avoid injury from tipping over or crushing.
- Do not overload drawers to ensure smooth operation. Regularly check that the drawers are correctly seated to prevent them from jamming or getting stuck.
- Ensure that the central locking system functions properly and is checked regularly.
- Keep away from children and ensure that the container is secured. Not suitable for children, small parts can pose a choking hazard.
- Do not store sharp or pointed objects in the container that could be accidentally released.
- Intended for the storage of documents and materials, ensure that the container is not overloaded to ensure stability.
- Keep a key to secure the contents to prevent unauthorised access.
