Safety Instructions:

- Ensure that the product is properly secured to the tabletop to prevent it from tipping over.
- The monitor arm should be used in accordance with the instructions provided to prevent injury.
- Please ensure that the monitor arm is only used for screens weighing up to 11.3 kg and with a diagonal measurement of up to 34 inches.
- The safety instructions should be clear and understandable for all users.
- Avoid using the monitor arm in areas with insufficient stability or where there are insufficient mounting options.
