Safety Instructions:

- Secure the mount properly to the table to prevent unstable or falling screens.
- Do not adjust the monitor arm during use to avoid injury from falling.
- Ensure that the monitor arm is only used for monitors weighing between 9 and 19 kg.
- Check the screws and fastenings regularly to ensure that they are secure.
- Keep the work area free of obstacles during use to minimise the risk of tripping or falling.
- Be careful when laying the cables to avoid over-strutting.
