Safety Instructions:

- Provide safety information and user instructions in easy-to-understand language
- Advise users to use the castor parking brakes to ensure stability
- Attention: Do not exceed the maximum weight of the monitors (12.7 kg per monitor)
- Regularly check the mounting of the monitors and the stability of the arm frame
- Avoid overloading the work surface to prevent injuries
- Keep out of reach of children to minimise the risk of falling
- Ensure that the product is used in a safe condition before putting it into operation
