Safety Instructions:

- Store safely to avoid injury.
- Only suitable for use with devices with a maximum diagonal of 15.6 inches.
- Ensure that the maximum load of 34.7 kg per compartment is not exceeded.
- Only charge the trolley under supervision and only use the enclosed mains cable.
- Ensure that the loader wagon is standing on level ground to prevent it from tipping over.
- Keep the door of the loading trolley closed during the loading process.
- The use of multiple sockets outside the charging trolley is prohibited.
- Ensure regular maintenance of the fans to prevent overheating.
