Safety Instructions:

- Observe the maximum load of 30 kg to prevent the appliance from tipping over, falling or being damaged.
- Do not overload the PC holder to avoid damage or injury.
- Use the fastening material correctly to securely fasten the bracket.
- For manual height and width adjustment, only grip at the intended points and handle with care to avoid injury.
- Keep the installation area free of obstacles to avoid accidents during installation.
- Mount the bracket securely under the table to prevent it from slipping or tipping over.
- Check compatibility with the PC model before installation to avoid damage.
- Install the product out of the reach of children to reduce the risk of injury.
