Safety Instructions:

- Do not stack more than 4 chairs to prevent them from falling over.
- Avoid use on slippery or smooth surfaces without a suitable support.
- To avoid discolouration, do not expose outdoor chairs to direct UV radiation for long periods of time.
- Do not exceed the maximum load of the chair.
- Keep away from naked flames and extreme temperatures to avoid material damage.
- Seat height of 460 mm not suitable for children under 3 years.
- Risk of suffocation due to small parts, especially if used incorrectly.
- Do not use on uneven or unstable surfaces to avoid the risk of tipping.
- The chair can become slippery when wet, take care when using it outdoors.
- Regularly check the condition of the chairs for visible damage.
- Extreme weather conditions should be avoided, even if the chairs are UV and water resistant.
