Safety Instructions:

- Not suitable for children under 3 years due to choking hazard from small parts and keep out of reach of children to avoid injury.
- The product is intended for use up to a maximum load of 110 kg. Do not exceed this to avoid damage.
- Stacking chairs can cause a risk of tipping. Therefore, stack carefully and do not stack more than 4 chairs.
- Suitable for indoor and outdoor use, but protect from extreme weather conditions. If used outdoors, check regularly for damage.
- To avoid injury, do not stack them on top of each other when people are sitting on them.
- Only use on stable, non-slip surfaces to avoid tipping over and the risk of tripping.
- Avoid direct sunlight and excess moisture to prevent discolouration and mould growth.
- Use suitable products for cleaning to avoid material damage.
- Do not use near naked flames.
