Safety Instructions:

- Ensure that the laptop stand is placed on a stable and level surface to prevent the laptop from tipping over or slipping.
- Only use the stand for laptops that do not exceed the maximum size and weight specifications (up to 4.5 kg and up to 17 inch screen size) to prevent damage.
- Do not use excessive force when adjusting the height and angle of the stand and carry out the manual adjustment carefully to avoid injury from sudden movements and damage.
- Make sure the laptop is securely and stably placed on the stand to prevent it from falling and to ensure proper ventilation to prevent overheating.
- Keep the stand and work surface free of obstructive objects to avoid accidents.
- Prevent children from having direct access to the laptop stand while the device is in use to reduce the risk of injury.
