Safety Instructions:

- Ensure that the monitor arm is securely fastened to the table clamp to prevent it from slipping or falling over.
- Observe the maximum weight limit of 8 kg to avoid overloading.
- Only use the monitor arm with VESA-compatible monitors to ensure safety.
- Make sure that no fingers or other parts of the body are trapped when adjusting the height and inclination.
- The cable routing should be safe and tidy to avoid tripping hazards.
- Read the installation instructions carefully and follow all steps to ensure safe use.
