Article Number: 883233

Safety Instructions:

- Secure the table clamp properly to prevent the monitor arm from falling down.
- Make sure that the monitor arm does not exceed the maximum weight and screen size to avoid damage.
- Do not use the monitor arm to support devices or monitors that do not fulfil the specified VESA standards.
- Keep children and pets away from the work surface to avoid injuries caused by falling monitors or parts of the arm.
- Please follow the installation instructions carefully to ensure safe use.
