Safety Instructions:

- Make sure that the rucksack is not overloaded to avoid back and neck injuries.
- Avoid using the backpack in damp or wet environments to prevent material damage and the risk of slipping.
- Please carry out a regular visual inspection to ensure that there are no cracks or damage that could impair safety.
- Keep the rucksack away from naked flames and extreme temperatures to protect the material and avoid the risk of fire.
- Always fasten the rucksack securely and avoid carrying heavy objects with one hand to prevent accidents from falling.
