### Safety Instructions:

- Take care when handling flammable liquids. Only use them in well-ventilated areas and ensure that there are no naked flames.
- Do not overheat or store near open flames and do not place on hot surfaces.
- Always fit the removable flame arrester and only use the pot in an upright position, never tip it over.
- Always keep the plastic protective ring intact to prevent it from slipping off.
- Observe and display multilingual safety labels for content labelling in accordance with GHS.
- Ensure correct disposal in accordance with the applicable regulations for hazardous substances.
- Check for damage before use and only use with undamaged seals to avoid leaks.
- Clean thoroughly after use, close securely and store in a cool, dry place to prevent corrosion.
- Ensure safe handling and care of the handle. Do not allow children to use the jug. Place safely out of the reach of children.
