Safety Instructions:

- Due to the use for flammable liquids, safe handling is required and use is only permitted with suitable flammable liquids.
- The product may only be used in designated, explosion-protected zones (zones 0 and 1).
- Check the hose and pump for damage before use. Check hoses and stopcock regularly for leaks and wear.
- Ensure that electrical appliances are properly earthed to avoid electric shocks.
- Always wear suitable protective equipment, e.g. gloves and safety goggles.
- Risk of suffocation and burns due to improper use.
- Ensure that the pump is used correctly in a potentially explosive environment.
- Do not operate with water or wet hands.
- Carefully fit the unscrewable outlet elbow to prevent leaks.
