Safety Instructions:

- Use only for certain chemicals in accordance with the manufacturer's specifications. Ensure that the product is suitable for the intended use.
- Observe safety instructions to avoid splashes and vapours during use.
- Wear protective clothing to avoid skin contact. Wear suitable protective equipment (gloves, safety goggles) when using the pump.
- Protect the product from heating, fire and other hazards. Avoid contact between the pump and naked flames or heat sources.
- Only use the drum pump for the intended chemicals.
- Check the seals and hoses regularly for cracks or damage.
- Keep the pump out of the reach of children.
- Read the operating instructions carefully before using the product.
