Safety Instructions:

- Improper use of the drum pump can lead to chemical leaks. In the event of leaks, take immediate action to avert danger.
- Observe safety measures: Wear gloves and safety goggles.
- Only use with compatible chemicals in accordance with the manufacturer's instructions. Ensure that the pump is suitable for the chemical in question.
- Keep the pump out of the reach of children and do not allow children to use it without supervision.
- Carry out regular maintenance on the drum pump to ensure safe and effective use.
- Read the instructions for use carefully before use.
