Article Numbers: 461412, 461411, 461410

Safety Instructions:

- Before use, ensure that the ramp is stable and properly attached.
- The ramp is not intended for the transport of hazardous substances unless it is properly secured.
- The ramp is not suitable for use on slippery or uneven surfaces.
- Users should wear suitable personal protective equipment (PPE) to avoid injury.
- Carry out regular inspections of the ramp for wear or damage.
- Ensure that the ramp is used by qualified personnel, especially when handling heavy loads or hazardous substances.
- Only use the ramp for the recommended or intended purpose.
- Check the ramp regularly for structural integrity, especially after intensive use, and keep it clean and free of slipping hazards.
- Ensure that damage to the ramp is avoided to prevent safety risks.
- The user must be provided with clear instructions for the safe use and maintenance of the ramp.
