Article Numbers: 461435, 461434, 461433, 461432

Safety Instructions:

- Only use the access ramp on stable and level surfaces to prevent tipping or slipping.
- Connect the access ramp correctly to the floor element and only use it for the recommended purpose.
- Observe the maximum load capacity to avoid overloading.
- Regular checks and inspections for damage and wear.
- Only use in dry conditions. Avoid slipping in wet, icy and adverse weather conditions.
- Take particular care when handling hazardous substances.
- Wear suitable personal protective equipment and non-slip shoes to avoid accidents.
- Minimise safety hazards due to instability when driving up with loads.
- Avoid risk of injury due to crushing.
- Not suitable for children. Keep children away from the area of use.
- Read the user instructions carefully before use.
