Safety Instructions:

- The maximum load is 120 kg. Therefore, only use the product within this weight limit.
- The seat height is adjustable. Adjust the height so that your feet are flat on the floor.
- Make sure that the 5-way lockable mechanism is correctly secured during use to prevent uncontrolled reclining.
- Avoid using the chair on slippery surfaces to prevent it from slipping or tipping over.
- The product is made of artificial leather. In the presence of cleaning agents that may contain chemicals, apply the appropriate safety measures.
- Keep out of reach of children to avoid injury.
- Using the chair for more than the recommended sitting time of 8 hours can lead to tension.
