Safety Instructions:

- Choking hazard due to improper handling of the waste container. Small parts can be swallowed. Not suitable for children under 3 years of age.
- Risk of electric shock due to improper use of the electric opening mechanism and the sensor. Be aware of the risk of electric shock when operating with batteries and only use the recommended battery types (4 x AA or 4 x AAA).
- Indoor use only recommended. Avoid use at high temperatures or in humid environments to prevent material damage.
- Do not leave batteries in the product when it is not in use. Batteries are not included in the scope of delivery; please store them safely and dispose of them properly.
- Protect the product from water, moisture and heat sources.
- Keep the waste bin away from children to avoid the risk of small parts being swallowed. Take care when handling sharp edges of the inner bin.
- Make sure that the waste bin is placed on a stable, non-slip surface to minimise the risk of it tipping over.
- Read the safety instructions carefully and follow them.
