Please note the technical data of the products!

Article Numbers: 33059, 33058, 33057

Safety Instructions:

- Only suitable for the storage of foodstuffs and chilled goods (in accordance with Regulation (EC) No. 1935/2004).
- Do not exceed maximum load: W 900 mm = 200 kg, W 1200/1500 mm = 180 kg.
- Ensure that all parts are present before assembly.
- Observe adjustable shelves in 150 mm increments and adjust and secure correctly.
- Ensure that the shelf is positioned on a stable and level surface to avoid the risk of falling.
- Ensure safe assembly and stability of the shelving.
- Check the shelf regularly for signs of corrosion or damage.
- Do not place any sharp or pointed objects on the floors to avoid injury.
- Keep the area around the shelf free of wet or slippery substances to prevent accidents caused by falling.
- Only move the shelving unit with suitable aids to avoid injury.
