Please note the technical data of the products!

**Article Number:** 62151

### **Safety Instructions:**

- Ensure that the table is placed on a stable, level surface to prevent it from wobbling or tipping over.
- Observe the maximum surface load of 300 kg before use.
- The height of the table should be adjusted under supervision to avoid injury.
- Ensure that no clothing or body parts can become trapped between moving parts.
- When transporting the table, ensure that it is properly folded and secured.
- The table should only be used in accordance with the intended applications in order to minimise safety risks.
