Safety Instructions:

- Keep print cartridges and packaging out of the reach of children to avoid the risk of suffocation.
- In case of contact with eyes or skin, rinse immediately with plenty of water. If symptoms persist, consult a doctor.
- Dispose of empty or no longer required cartridges in accordance with local regulations for electronic or waste disposal.
- Only use ink cartridges with the intended or compatible Brother printer models to avoid malfunctions.
- Keep the print cartridge away from direct sunlight and heat to prevent leakage and damage.
- Do not open cartridges, take them apart or throw them into the fire.
- Do not damage the ink cartridge or store it near food.
- Observe safety precautions when handling ink, as improper handling can cause stains.
- Contact the manufacturer if you have any questions or problems.
