Safety Instructions:

- Make sure that the presentation board is set up stably to prevent it from tipping over and do not use it in areas where it is exposed to physical pressure or strong impacts.
- Do not use the board near liquids or in damp environments to prevent waterlogging and possible damage to the materials.
- Always set the castors of the board to the parking brake before use to prevent unintentional rolling.
- When moving the board, make sure that there are no objects in the way.
- Please ensure that small parts are not lost to avoid the risk of suffocation.
