Safety Instructions:

- Protect boxes from moisture and direct sunlight to preserve the material quality.
- Avoid extreme temperatures as they can affect the structure of the cardboard.
- Do not overload the cartons to prevent deformation.
- The product should not be used as a toy by children and is not suitable for children under the age of three.
- Choose a safe and stable place to store the appliance to prevent it from tipping over or falling.
- Only use the product for storing documents, do not use it as a toy.
- Ensure safe handling to avoid injuries due to improper use.
- When using in the vicinity of children, ensure that there are no small parts that could be swallowed.
- Secure the push-in lid to prevent it from being opened unintentionally.
- Clear instructions and safety information should be included in plain language.
- Keep the packaging and instructions for use for future reference.
- Observe proper recycling of old archive boxes in accordance with local regulations when disposing of them.
