Safety Instructions:

- Caution: Choking hazard due to small parts for children under 3 years.
- Make sure that the product is standing on a stable surface and regularly check the stability of the standing components to prevent them from tipping over.
- Observe the maximum load limits to avoid bending or breaking the steel.
- Read and follow the operating, installation and operating instructions carefully to ensure safe use.
- Safety precautions when moving the small parts magazine due to its mobility.
- Secure the small parts magazine when it is full to prevent it from slipping.
- Only use the recommended open-fronted storage boxes to ensure safety and fit.
- Wear gloves to avoid injury during handling.
