Safety Instructions:

- Ensure that the shelf is on a stable, level surface and cannot tip over to prevent tipping.
- Only use the shelf in accordance with the manufacturer's instructions.
- Do not overload the shelf to ensure structural integrity. Do not place heavy objects on the top shelves.
- Keep shelving away from moisture and use in dry, protected areas to prevent rusting.
- Position open-fronted storage bins securely and stably.
- Clearly label warnings about sharp edges or other potential hazards.
- Use only under adult supervision.
- Do not place the shelf near heat sources.
- Regularly check the condition of the shelving for possible damage.
