Article Number: 439016

Safety Instructions:

- Observe the maximum load capacity of 50 kg per thrust to avoid overloading and possible damage.
- Please ensure that the assembly trolley is used on a stable and level surface to prevent it from tipping over.
- For persons under the age of 18, use under adult supervision is recommended.
- Only pull out drawers completely one at a time and with care to avoid slipping or injury.
- Do not deactivate the central locking system to prevent unauthorised access to the contents.
- Avoid using the assembly trolley in damp or wet environments, as this may affect the materials.
