Article Number: 189603

Safety Instructions:

- The bowls are only suitable for use with cold or warm food, they are not suitable for use with hot or liquid food at temperatures above 100 °C.
- Please note that there may be colour variations on the surface of the palm leaf shells. These colour deviations are harmless and do not pose a health risk.
- The trays are fully compostable. Please dispose of the trays properly in the compost.
- The bowls may only be used once and are not suitable for the microwave.
- The trays are food-safe, but they should not come into contact with highly acidic or highly fatty foods in order not to impair the quality of the product.
