Safety Instructions:

- Make sure that no sharp or heavy objects are placed in the bag that could damage the product or impair its use.
- Do not overload the bag to avoid the risk of damage or impairment of the load-bearing capacity.
- Take care when carrying the bag in backpack mode to avoid slipping or the risk of injury.
- In the event of damage or improper use, contact the manufacturer's support.
- Keep the product away from fire and high temperatures to protect the material.
- The bag is not suitable for use by children under 3 years of age as it may contain small parts.
