Safety Instructions:

- Before use, check that the USB charging port is working safely and that it is not overheating.
- Do not use the rucksack if it is visibly damaged.
- The security compartment should always be securely locked to protect valuable items.
- Keep small objects out of the reach of children to avoid the risk of suffocation.
- Avoid compressing the rucksack under heavy loads to prevent damage to the contents.
- The backpack should not be stored in wet environments to prevent mould from forming inside.
- Read the enclosed instructions for use and safety instructions carefully.
