Safety Instructions:

- Do not use near water sources or damp places to avoid electric shock.
- Do not leave the appliance unattended while it is switched on.
- Ensure that the appliance is placed on a stable and heat-resistant surface.
- Ensure that the fan heater is not covered or blocked to prevent overheating.
- Set up out of the reach of children to minimise the risk of injury.
- Check the appliance regularly for damage and stop using it if it is defective.
