Safety Instructions:

- Caution: This button cell can pose a choking hazard if swallowed by small children.
- The battery contains lithium. Ensure that you dispose of the battery in accordance with the local regulations for the disposal of batteries and accumulators.
- Do not throw into fire or water as this may cause explosion and damage.
- Do not short-circuit the button cell, as this can lead to overheating and fire.
- Keep the batteries away from moisture and extreme temperatures.
- Do not attempt to recharge the button cell unless expressly intended for this purpose.
