Safety Instructions:

- Ensure that the underlay is used on a stable and level surface to avoid the risk of slipping and tripping.
- Only use the underlay for its intended purpose, especially for hard floors or carpets, to avoid damage.
- Protect the underlay from direct temperatures above 120°C to prevent material damage.
- Keep the underlay away from sharp objects and water to prevent scratches, damage and adhesion problems.
- This is not a toy. Keep the base away from children and pets to avoid injuries and the risk of choking on small parts.
- The underlay is flame-retardant; however, it must be kept away from naked flames and extreme temperatures.
- Use only on the specified surfaces to ensure optimum functionality.
- Carry out regular inspections for wear or damage to prevent accidents.
- The mat is not suitable for outdoor use.
