Safety Instructions:

- Observe the safety instructions to avoid injuries due to improper use.
- Protect the product from extreme temperature fluctuations and moisture to prevent material damage.
- The product should be used responsibly, especially around children. Children should not use the product unsupervised.
- If the housing is damaged, the product must no longer be used. Check the housing regularly for cracks or damage to avoid potential hazards.
- Choking hazard due to possible small parts that could fall off during use.
- Do not use the strap beyond its elongation and ensure that the end hook is fixed to stable edges during use to prevent tearing.
- Ensure safe use to avoid falling and cutting injuries. The tape measure could slip off the roll if handled incorrectly.
- Not suitable for use in applications requiring high loads.
- Contact with water can damage the material of the belt surface.
