Safety Instructions:

- Take care when using near water sources to avoid electrical accidents.
- Not suitable for children under 3 years of age as small parts pose a choking hazard.
- The tape measure should not be overstretched to avoid damage.
- Avoid improper use to prevent injury.
- Ensure that the belt is not torn out and that no sharp-edged parts spring back to avoid injury.
- The product is intended for use by adults only. Use by children only under supervision.
- Keep the tape measure out of the reach of children to prevent accidental use.
- Avoid contact with extreme temperatures and aggressive chemicals, as this can damage the material.
- Please follow the instructions for safe handling during use.
- Use only for the intended purpose.
- Regular checking of the functionality of the hold-open device is recommended.
