Article Numbers: 724325, 724324

Safety Instructions:

- Not suitable for children under 3 years of age due to small parts that may pose a choking hazard.
- Take care when handling the tape measure to avoid injury from mechanical parts.
- There is a risk of cutting injuries if used incorrectly.
- Do not use near water or in damp environments to avoid electrical accidents.
- Caution: If handled incorrectly, the strap may tear or get caught.
- The maximum accuracy of the product is EG I (± 0.5 mm/m), which must be taken into account during measurement.
- Ensure that the product is securely stowed away when not in use to prevent damage.
