Article Numbers: 724386, 724385, 724384, 724383

Safety Instructions:

- Use the tape measure on a flat surface to avoid falls or injuries.
- Avoid contact with sharp objects to prevent damage and injury.
- Keep the tape measure away from children; choking hazard due to small parts.
- Avoid using the tape measure in extreme temperatures to prevent material damage.
- Check the tape measure for damage before use; do not use it if it is damaged.
- Be aware of the risk of injury due to rapid winding of the strap.
- Store the tape measure safely and out of the reach of children to avoid the risk of suffocation.
- To avoid damage and injury, do not subject the belt to excessive tensile forces.
- Avoid use in damp conditions to minimise the risk of slipping.
- Do not drop the tape measure and handle it carefully to minimise the risk of injury.
- Do not continue to use the belt if it is damaged in order to avoid safety risks.
- Beware of injuries from sharp edges if handled carelessly.
- Not suitable for children under 3 years due to risk of injury and choking on small parts.
- Take care not to pull the strap beyond the recommended maximum lengths to avoid tearing.
- If you have any questions about the application, please contact the manufacturer.
