Safety Instructions:

- Caution: Risk of injury due to improper handling or contact with sharp edges.
- Do not use near water or damp environments to avoid damage.
- Ensure that the belt is in perfect condition before use and protect the beginning of the belt from damage during storage.
- Store in a dry and safe place; keep out of reach of children to avoid misuse and potential injury.
- Read the operating instructions carefully before using the device for the first time and follow the recommended user instructions.
- The tape measure is not suitable for children under 3 years of age due to small parts that could pose a choking hazard; not suitable for children under 14 years of age.
- Take care not to overload the tape measure or use it improperly to prevent breakages and injuries.
- Avoid contact with sharp edges to prevent damage.
- Secure the tape measure in the intended parking position during transport.
- Only use the product for its intended purpose and follow the instructions for use.
