Article Numbers: 724431, 724430, 724429, 724428, 724427, 724426, 724425

Safety Instructions:

- Check for damage or loose screws before use.
- Do not use the spirit level as a climbing aid or in the vicinity of electrical cables to avoid injury from electric shock.
- Do not use in a damp environment to avoid the risk of slipping and corrosion.
- Use the spirit level on a stable surface to avoid inaccuracies and falls.
- Only use in accordance with the intended use, in particular not as lifting gear.
- Pay attention to sharp edges to avoid injuries.
- Keep away from children, as improper use can lead to injuries.
- Avoid dropping and do not handle improperly in order to maintain measurement accuracy.
- Do not drop or throw to prevent damage and inaccuracies.
- In the event of damage or faulty anti-slip stoppers, stop using them immediately.
- Only use for intended measuring tasks to avoid operating errors.
- Aggressive cleaning agents should not be used to avoid damaging the surface.
- Avoid temperature fluctuations, as these can affect the material and accuracy.
- Suitable for use by adults, not suitable for children.
- Do not damage the vials to ensure measurement accuracy.
