

Product Safety Information

Spirit level 80 ASM 200cm Alu.yellow $\pm 0,5$ mm/m STABILA

Manufacturer/Responsible Person: Stabila Messgeräte Gustav Ullrich GmbH, Landauer Str. 45, 76855 Annweiler, Deutschland

E-Mail: info@stabila.de

Please note the technical data of the products!

Article Numbers: 724441, 724440, 724438, 724437, 724436, 724435, 724434, 724433

Safety Instructions:

- Only suitable for use on flat and stable surfaces.
- Take care when using with magnets to avoid crushing injuries.
- Before use, ensure that the product has no visible damage.
- Do not use in a damp environment to avoid corrosion or damage.
- To prevent damage, do not drop the spirit level or handle it improperly.
- Keep the spirit level away from children to avoid injury.
- Not suitable for children under 3 years of age as it contains small parts that could pose a choking hazard.
- Take care when using in conjunction with electrical or conductive materials to minimise the risk of electric shock.
- The spirit level must not be used as a ladder or support.
- Avoid direct contact with harsh or harmful chemicals that could damage the surface.
- Avoid overheating: Do not store in direct sunlight or in a hot vehicle.
- Prevention of damage: Ensure that the spirit level is correctly calibrated to avoid incorrect use.
- Only use the product in the horizontal or vertical line to avoid inaccurate measurements.
- Operate with care to avoid knocks or falls.
- Clean the measuring surfaces carefully to avoid scratches that could affect the measuring accuracy.
- When using on smooth surfaces, ensure that the slip stoppers are effective.
- Observe magnetic adhesion to avoid injury from dropping.
