### Safety Instructions:

- Only use the angle measuring device in the intended area of application to avoid accidents.
- Make sure that the meter is always read correctly to avoid incorrect measurements.
- Avoid contact with sharp edges or pointed objects and pay attention to sharp edges to prevent injuries.
- Store the appliance in a safe and dry place to prevent damage and injury; keep it clean after use.
- Keep the appliance away from children to avoid risks due to improper use, especially as the product is not suitable for children under 3 years of age to avoid the risk of choking on small parts.
- The product may only be operated by adults to avoid accidents and is not suitable for children under 14 years of age due to small parts and potential hazards.
- Make sure that the clamping screw is always tightened correctly to ensure a precise reading.
- Avoid contact with water or other liquids to prevent electrical damage.
- Read the operating instructions before use.
