Safety Instructions:

- The appliance is not a toy and should be kept out of the reach of children. Young children and inexperienced users should use the appliance under adult supervision to prevent misuse and damage.
- Take care when handling sharp edges to avoid injury.
- The device is operated with 4 x 1.5 V type AA or 4 x 1.2 V rechargeable batteries. Only use the recommended batteries or rechargeable batteries and check compatibility. Check the batteries for leakage or damage before use.
- Avoid contact with water; the device is not waterproof and should not be used in wet or damp environments. Keep the device away from water and moisture to avoid short circuits and defects.
- Ensure that zeroing is carried out correctly in any leg position to avoid incorrect measurements.
- For proper use and to avoid damage, ensure that the batteries are used in accordance with the specifications.
- Make sure that no foreign objects get into the openings of the appliance.
- Please only use the appliance in accordance with the manufacturer's instructions.
