Article Numbers: 724680, 724679, 724678, 724677, 724675, 724673, 724672, 724671, 724670, 724669, 724668, 724666, 724665, 724664, 724663, 724662, 724661, 724659, 724658, 724657, 724638, 724636, 724635, 724632, 724631, 724630, 724629

Safety Instructions:

- Take care with sharp edges of the metal foil, risk of injury and cuts if handled incorrectly.
- Keep product away from children to prevent choking and injury. Not suitable for children under 3 years of age.
- Not suitable for contact with food.
- Please wear suitable protective gloves during use to avoid injury.
- Not suitable for use near open flames, high temperatures or humid environments to avoid damage.
- Do not use in direct contact with electrical components or on an electrical surface to avoid the risk of electric shock.
- Make sure the product is stored in a dry place and protected from direct sunlight to prevent corrosion.
- Before use, check for visible defects and ensure that the film is stable and clean so as not to impair functionality.
- Ensure electrical safety when using in combination with electrical appliances.
- Do not bring into contact with water or other liquids so as not to affect the product properties.
- Use appropriately for the intended purpose to avoid material failure and minimise possible accident risks.
