Safety Instructions:

- Wear suitable protective equipment such as gloves and safety goggles.
- Do not use the product if the impact insert is damaged or worn. Check the hammer regularly for damage.
- Ensure that the surface is non-slip during use to prevent falls and injuries. Do not use on unstable surfaces.
- Ensure that other people in the vicinity keep a safe distance.
- Do not use on hard or brittle surfaces to avoid uncontrolled kickbacks.
- Avoid the use of force to prevent injuries.
- Keep the sledgehammer away from children to avoid accidents.
